

The Forward O. P.

Now that our primary elections are over we can sit back and coast along until fall when the air waves again will be jammed with campaign oratory. Just to break the long wait there will be the National Party conventions in the City of Brotherly Love.

A great many of our duly elected representatives in Washington must be Brooklynites at heart—the way they can “dodge” the draft and UMT issues makes Leo the Lip look like a sandlot beginner.

Local Officers Attend District Women's Meet

Representing the Joshua Tree Womens Club Mrs. Sarah Mitchell, president, and Mrs. Mary Ojala, vice president, last Friday attended a meeting of officers of all Clubs in the district at Arrowhead Springs Hotel near San Bernardino.

About sixty attended from other Clubs in the area. The meeting was instructional and intended to give inspiration and enthusiasm to officers for the conduct of their home meetings during the next year.

The Joshua Tree Womens Club just recently affiliated with the National group.

Wildcats Chew Cubs In Goofy Game; Triumph 14 to 13

In a wild scoring jamboree that had even the umpires muttering in their beards the Lafferty Wildcats made monkeys of the Joshua Cubs at Gilpin Field last Wednesday night. According to the official scorekeeper the final outcome was 14 runs for the Highschoolers and 13 for the Cubs. Coach Hudson and the Journal scorer could only account for 13 runs on both sides.

In the first inning Miller of the Cubs, after taking a full count, fouled out to Caston on first. Harman struck out on three straight pitches and Leyhe lined one to Huffard at second. For the Wildcats Mills beat out a bunt that Marble fumbled, Huffard popped out to Burns, and Arnett struck out. Lafferty was safe when Ojala mishandled his bunt, and Mills came home. Bolster reached first on Burns error and scored with Lafferty when Lake singled to right field. Lake was caught trying to stretch his single.

Garry scored the first Cub run in the second on Humphreville's sacrifice and Ojala's single. The Wildcat's scored 4 more in their half of the second after Marble fanned the first two men up. Caston singled and Mills knocked a home run. Huffard was waved to

DORAN AND CUNNINGHAM WIN IN SUPERVISOR RACE. SHEPPARD AND LATHROP TO CONTEST FOR CONGRESS

Complete returns in last week's primary election indicated that Arthur Doran, incumbent, and George Cunningham of San Bernardino will vie for Doran's supervisorial seat in November. Altho Ross Dana of Big Bear Lake carried the towns along the 29 Palms Highway he came in third in the county finals.

Congressman Harry R. Sheppard polled the highest number of votes on the Democratic ticket and a large number on the Republican slate. Lowell Lathrop, San Bernardino attorney, won the Republican nomination and will make the race against Sheppard in November.

Local returns as given by the Joshua Tree election board are given here.

CONGRESSMAN 21 st. District

Sheppard	43
Lathrop	58
Thrall	13
Keller	17
Rose	3

SUPERVISOR

Dana	114
Cunningham	11
Doran	22
Hillman	2

Nearly all communities in this area gave Dana a large vote but the balance of the district was favorable to Doran and Cunningham.

The Joshua Tree election board did excellent work in checking the voters and in the ballot tabulation after the polls closed. Jeff Overbay was elected supervisor and was assisted by Mary Burson, Julia Overbay, Thelma Wiser, Berta LaFerney and Nancy White. Mr. Overbay complimented his board on the efficient handling of the election.

Sun Valley Club Will Dine at Tootle's

The Sun Valley Club, civic league recently organized in Sun Valley Acres, will sponsor a dinner and evening of entertainment for members and any one who is interested in desert living who wishes to join. The dinner will be at 7:30 pm on Saturday night, June 12th at Robert Tootle ranch four miles north of the 29 Palms Hiway on the Sun Valley road.

According to George Ledesma, president, the admission fee for the affair is \$1.00 which includes the dinner and membership fee and dues. Special entertainment and dancing will be enjoyed after the dinner. Reservations may be mailed to the Sun Valley Club, Box 4, Joshua Tree, not later than Thursday of this week.

The Tootle home where the fiesta will be given is a beautiful modern ranch home that has grown to its present status from a modest beginning as a homesteaders cottage nineteen years ago.

Noted Mystery Writer Visits Keys Ranch

Erle Stanley Gardner, creator of Perry Mason in detective fiction, spent Sunday conferring with Mrs. Wm. Keys at her ranch in the Joshua Tree National Monument. Gardner has been a frequent visitor at the ranch and has interested himself in the case of William Keys who is now serving a sentence in San Quentin for the killing of a neighbor several years ago.

In the current issue of a popular magazine the case of William Keys was reviewed and readers have been sending in many letters to the publishers. Gardner reported to the family Sunday. The writer has been instrumental in starting the series of articles that will take up many cases where, in the opinion of the publishers, justice may have gone astray.

Alice Beckford several weeks ago. Of the past two weeks they have been living in Los Angeles.

Mr. and Mrs. Cantz are starting to redecorate the Lodge now and plan to enlarge the guest facilities soon. Mrs. Cantz is enthusiastic about the possibilities of their new home and is using her flair for interior decorating to good advantage.

Louis Cantz is a registered pharmacist. In Chicago, the former home of the Cantzes, he operated the Publix Medical Centers.

Sheppard Goes Back to Capitol

Congressman Harry R. Sheppard of Yucaipa, representative from the 21st District, has returned to Washington, D.C., after waging a successful campaign for the Democratic nomination for his present post. He spent some time in Joshua Tree and 29 Palms during his campaign.

Sheppard will be opposed in the November election by Republican candidate Lowell Lathrop who ran against him at the last election.

Following is a communication from Congressman Sheppard to the Journal.

"I want to thank the press and radio for their fairness and cooperation during the primary campaign, and all of our citizens, Republicans and Democrats, for their splendid support given to me in the primaries throughout the Twenty-first Congressional District.

I am grateful for your friendly support and consider it as approval of twelve years' service in your behalf. Your confidence is appreciated. It is now imperative that I return to Washington immediately as I have committee work to do, with both the House and Senate, which must be completed before this, the 80th session, adjourns. As an example, we have your local flood control supply bill which must be dealt with before July 1. There is more work to be done relative to increased personnel allocation at the San Bernardino Air Depot and Depot and at Victorville.

There are conferences that must be taken care of with the Secretary of Agriculture relative to the citrus and grapes growers' problems within the district and there is further preparatory work to be done on freight rate reductions for California, Oregon, and Washington.

I am most anxious to see the report from the Army Engineers Review Board on the Santa Ana River Water Sheds as definite plans must be worked out in order that this area of California may have the benefit of this great flood control and water conservation projects that are so necessary.

At the conclusion of the 80th Congress, and as soon as my conference work is completed, Mrs. Sheppard and I will return and do our utmost to see all of the citizens of the Twenty-first Congressional District.

I sincerely trust that I may enjoy your continued support in the November elections, and I assure you that I will continue my efforts in the future, as I have in the past, to guard your interests as American citizens."

Signed, HARRY R. SHEPPARD
Member of Congress

Krumcke Ranch To Be Rest Home

Mr. and Mrs. Gray Krumcke announced Saturday the sale of their hillside ranch home west of town to Mrs. Ella Painter of Bloomington. The home and ten acres of land plus 17½ acres east of it were bought for the purpose of conversion to a large, modern rest home in the fall, it was reported.

The Krumckes have been residents of the desert area for more than 12 years. They built their home themselves, even to making their own building blocks. They announced that they will start a new home this week on El Reposo near Sunset Road. It will be of concrete block construction.

Mrs. Painter will take possession of her new home sometime in October according to present plans.

Damon Wheeler Breaks Arm

In jumping out of the school window last Monday Damon Wheeler fell against a bench and broke both bones in his right forearm. Damon is the son of Mr. and Mrs. Harry Wheeler of Joshua Tree. He was examined by Dr. Edward L. Smith in 29 Palms who advised hospitalization. Damon was taken to Palm Springs Community Hospital where the arm was set by Dr. Elliott. The injured lad remained for a day and returned to his home on Tuesday.

Damon is now enjoying a satisfactory convalescence at home. The Boys' Club and many friends have remembered him with cards and visitors.

Thirty Swim and Lunch at PTA Party

More than thirty boys and girls of school and pre-school age accompanied by several members of the Joshua Tree PTA swam and lunched at the 29 Palms pool last Friday. The pool was reserved for the youngsters from 10 until 12 noon. After the water sport was over the members of the party enjoyed a picnic lunch of baked beans, potato salad, sandwiches and cake. The PTA served pop, lemonade and ice cream.

The party was transported in the school bus driven by Ira Hover. They returned to Joshua Tree shortly after 2 o'clock. Chaperoning the group were Mesdames Keatley, Brody, Lafferty, Beard, Wheeler, Bryant, Hover, Jones, Norris, Gayle and Fletcher.

Bread Pudding as an Aristocrat

"For The Home Cook"

Bread pudding, like army beans and boarding house hash, is far too often looked upon as a make-shift dessert that lends itself to no variety.

Don't underestimate or belittle bread pudding. It's a healthful dish, an economical dish and a tasty dish, and when you dress it up as you do many other desserts, you have a real aristocrat.

For variety, try bread pudding rennet desserts which are eggless, not cooked, and keep the fresh delicate flavor of all rennet desserts — that's certainly something new in the kitchen.

And for a real nursery treat, serve it in generous dishes, and top it, just before serving, with a few plumped raisins, stand-ins for those delectable but invisible ones that sank to the bottom before the rennet desserts were set. Any

very young lady or gentleman is sure to smile as happily as the one in the picture at the first taste of such an unusual dessert.

Bread Pudding Rennet Desserts

¼ cup toasted bread cubes
¼ cup raisins
2 cups milk (not canned)
1 package lemon rennet powder

Set out 4 or 5 dessert dishes. Combine bread cubes and raisins, and divide among dessert dishes. Warm milk slowly, stirring constantly. Test a drop on the inside of the wrist frequently. When COMFORTABLY WARM, (110° F.) not hot, remove at once from heat. Stir lemon rennet powder into milk quickly until dissolved — not over one minute. Pour at once, while still liquid, into dessert glasses. Do not move until set — about 10 minutes. Chill before serving.

Yucca Woman Hurt As Car Overturns

Mrs. Cecil B. Smith of Yucca Valley was painfully injured last Wednesday afternoon when her car overturned on the 29 Palms Hiway about half a mile east of Joshua Tree. Mrs. Smith is the daughter of A. W. Wallace of Sun Valley. She suffered strained ligaments in the back and shoulder. The car, a Plymouth coupe, was badly damaged and the roof crumpled in. Apparently the steering mechanism caused the coupe to leave the pavement and after striking the soft sand on the road shoulder it rolled completely over.

Passing motorists took Mrs. Smith to Dr. William Ince's hospital in 29 Palms where X-rays were taken. According to the injured woman's father no broken bones were discovered.

The car was removed from the hiway about 7 pm by Bob Duesler who took it to the Valley Automotive Garage.

Wildcats Chew Cubs

sacrificed Ojala home, but Arch was stranded on third when Pierce fanned Miller for the second time. In the Wildcat half Lake was safe on Miller's error and scored when Pierce singled and Burns muffed one. Metzger walked and Caston was safe as Humphreville's miscue filled the bases. Pierce and Metzger were both caught at the plate as Mills and Huffard reached first on a fielders choice apiece, but Caston tallied. This gave the Wildcats 13 runs to the Cubs 4. In the first of the fifth the Cubs began to get the range and scored three runs on Leyhe's walk, Garry's double and singles by Burns, Ojala and Arch. The Wildcats were held scoreless when Lafferty grounded out to Humphreville unassisted and Marble struck out Bolster and Pierce.

Lake replaced Pierce on the mound for the Wildcats in the sixth. The Cubs batted around in this frame and tied the score with six runs. Miller doubled to start the inning. Harmon doubled to score Miller. Leyhe was walked. Garry flied out to right and Har-

mon came home after the catch. Burns walked and Humphreville was safe on Mills' error which allowed Leyhe to tally. Ojala flied out to Bolster for the second out. Arch singled to score Burns and Marble hit a smacking single to right that scored Humphreville and Arch. Marble was caught past second when he tried to stretch the hit.

In the last of the sixth Marble fanned Metzger, Caston grounded out and Mills whiffed. In the first of the seventh the Cubs went out in order and the game ended there since the official score was announced at 14 to 13.

The Wildcats played a fine game and should have won easily if Pierce had remained on the Mound. Their fielding was almost flawless with only one error chalked against them. Pierce was steady as he struck out 6 Cubs and walked 3 in five innings. He was nicked for 9 hits. He pitched superbly in the third inning when he struck out three Cubs in a row. Lake was less effective in the last two innings. He struck out none, walked 2 and had 6 runs scored against him.

Marble pitched a good game but was wild in the third inning. His

support was erratic and completely aimless at times. The Cubs committed 8 errors. Marble struck out 7, walked 5 and gave up 8 hits in seven innings.

Lake and Caston led the hitting for the Wildcats with 2 hits apiece out of four times at bat. Mills, Huffard, Lafferty and Pierce each connected once. Mills got the only homer of the fracas.

Ojala and Arch were the heavy

hitters for the Cubs with 3 hits apiece. Marble and Burns came up with 2 each and Miller, Harmon and Barry got one each.

Bailey, Powell and Nichols handled the umpiring assignments.

SMALL TRACT LEASES

Renewed and greater interest in the popular 5 acre leases on Government land has been aroused by recent articles appearing in metropolitan newspapers. Many visitors come to Joshua Tree and other parts of this desert region in search of these lands.

Unfortunately, the articles we read did not give the complete story. It would seem that the land could be purchased for from \$10 to \$20 an acre plus a small filing and lease fee. Actually the leaseholder must erect a livable cabin on the land and hold the acreage for at least one year before making application to buy.

Some sections have already been classified for small tract leases and other sections are awaiting classification. Applications to lease may be filed on lands not yet classified. Full information is freely and courteously given by the pleasant people in the Public Land office in the Federal Building in Los Angeles.

The Journal has received news of several cooperative movements by leaseholders to start well drilling operations, road building, surveying and other activities on several of the sections already leased. This would seem to indicate a great interest by thousands of families in desert life. It may lead to large scale settlement in this fine area.

Many Joshua Tree citizens were introduced to this fine community of ours thru the medium of the 5 acre lease. They have seen the advantages of living in an established town with a water and electric system, telephones, roads and other advantages, and have purchased home and business sites rather than developing virgin land. However, most of them are still holding the leases and planning to build a cabin. All of this works to the advantage of local business and will have a great influence on our development.

THE JOSHUAS

OUR BRAIN CHILDREN

To be kind and gentle, with wisdom and tact,
Are virtues we ever have sought;
But the peace they bring to us in return
Depends upon what prompted the thought.

We voice a greeting and think it enough;
Has it to us occurred
That it isn't the thing we say that counts,
But the spirit back of the word?

We may answer a call for help to-day,
We may go to a neighbor in need,
But it isn't the price that brings results;
It's the heart we put in the deed.

Our thoughts, our words, our deeds live on,
No matter how far they stray,
But the path they travel will wind around
And reach back to our door some day!

A "Different" Waffle

— By Frances Lee Barton —

JUST about everybody loves
waffles, plain waffles, pecan
waffles, bacon waffles. But have
you ever tried
chocolate waf-
fles? They're as
easy to make as
the regular kind,
and are simply
super as a des-
sert to top off a
plain meal. Try
them when the
rest of the din-
ner is slim — or as a party dish for
the young crowd — they'll give you
"rave" notices!

Chocolate Dessert Waffles
1½ cups sifted cake flour; 1½
teaspoons double-acting baking
powder; ½ teaspoon salt; ½ cup
sugar; 2 egg yolks, well beaten;
¾ cup milk; ½ cup melted butter
or other shortening; 2 squares un-
sweetened chocolate, melted; ½
teaspoon vanilla; 2 egg whites.

Sift flour once, measure, add bak-
ing powder, salt, and sugar, and
sift again. Combine egg yolks and
milk; add to flour mixture, beating
until smooth. Combine butter and
chocolate; add to batter and blend.
Add vanilla. Beat egg whites until
they will hold up in moist peaks.
Stir quickly but thoroughly into
batter. Bake in hot waffle iron.
Serve hot with whipped cream,
orange marmalade, or orange sauce.
Makes five 4-section waffles.

Note: Waffles may be made in
advance. Before serving, reheat in
oven just until hot and crisp.

Baseball Results

The Kenny Druggists gained sole possession of top place in League standings last Tuesday night when they nosed out the Oilers 11 to 10. This was the first defeat for the Oilers since the season started. Tom Nicoll was the wining pitcher and Fuzzy Mann was charged with the loss.

The Character Roomers kept their cellar position last Thursday night when they lost a high scoring slugfest to the Smoke Tree Broiler men. The score was 19 to 12. Berryhill, pitching for the losers, had poor support. Stratton pitched six innings for the winners then turned the flinging job over to Mc Cloud and McDowell. When the Marksmen turned on the heat Stratton went back to the mound and stopped the rally.
